Footnotes:

- As of FY2009, the local sales tax distribution changed to reflect exact cash distributions for the current month based upon total sales tax collections.
- Other Fees and Sales include taxes and fees that have been deposited in the bank, but the returns have not been processed. The undistributed amounts, as processed, are reclassified to the proper accounts. It also includes unclaimed property collections.
- The Motor Vehicle Division began collecting Auto Sales Tax funds in January 2006. An adjustment was made to reclassify Sales Tax collections from Motor Vehicle to Other Fees and Sales, to reflect the transaction in August FY2011. Revenue is then reclassified to Sales Tax in the following month.
